Working at Greatview

Greatview is an equal opportunity employer and is proud to adhere to the highest standards in the quality of the working environment for all its employees. We are committed to treat employees equally, independent of race, colour, religion, gender, national origin, citizenship, sexual orientation, age, disability, or marital status.

Our company offers excellent working conditions, modern machines and equipment, in an open and international community of colleagues. Our aim is to keep everyone in the company engaged and motivated, and our management is always open for ideas for improvement. As the world's 3rd largest supplier of aseptic carton material, we provide you with security and opportunities for improvement. We want you to feel good with us at all times, to develop your talent and to reach your full potential.

As a globally successful company, we plan and act long-term and are prepared to invest for the future. Are you looking forward to a collegial working atmosphere and an open corporate culture? We warmly invite you to consider to [join our company](#).
